Gift Aid is a Government initiative that promotes charitable giving by enabling UK charities to reclaim tax from the Inland Revenue for every £1 donated by UK taxpayers. Gift Aid costs donors nothing and can greatly increase charity income. Charities are able to claim back around 28% of the value of donations – donors who are higher rate tax payers can claim back the difference above this standard rate for themselves on their tax return.

I wish the Sarah Matheson Trust (ADASMT) to treat this donation as a Gift Aid Donation. I confirm I pay an amount of Income Tax and/or Capital Gains Tax at least equal to the tax reclaimed on this donation.
